

AKHIL V

Assistant Professor

Department of Mechanical Engineering

akhil@kmctceet.org

Educational Background

- M.Tech in Mechanical Engineering from Government Engineering College, Kozhikode (2020)
- B.Tech in Mechanical Engineering from KMCT College of Engineering (2016)

Professional Experience

- 1 and half years of experience as Lecturer at KMCT Polytechnic College(Jan 2017- Aug 2018) in Mechanical Engineering Department
- Two years of experience as Assistant professor at KMCT College of Engineering(Nov 2020 - Feb 2023) in Mechanical Engineering Department
- One year experience as Assistant Professor at MES College of Engineering and Technology (Feb 2023 - May 2024) in Mechanical Engineering Department
- 5 months experience as Assistant Professor at KMCT Institute of Emerging Technology and Management(May 2024 Onwards) in Mechanical Engineering Department

Area of Interest

- Thermal Engineering
- Design
- Energy

Area of Expertise

- Heat and Mass Transfer
- Design of Machine Elements

-
- 
- Energy Systems Analysis and Design

Achievements and Awards

- 100% result for students in Mechanics of Solids -KTU 2024

Hobbies

- Reading
- Sports
