

NEETHU SUKUMARAN M

Assistant Professor

Department of Computer Science and Engineering

neethu@kmctceet.org

Educational Background

- M.Tech in Signal Processing from Govt. College of Engineering (2020)
- B.Tech in Electronics and Communication Engineering from MEA College of Engineering (2017)

Professional Experience

- Nearly 1 year of experience as Assistant Professor at Rajiv Gandhi Institute of Technology Bangalore(2023-2024) specializing in Electronics and Communication Engineering
- Nearly 1 year of experience as faculty in diploma in engineering at TUVR NIFE (2022) specializing in Electronics and communication engineering
- Nearly 4 months of experience as Assistant Professor at KMCT Institute of Emerging Technology and Management(January 2024 Onwards) in Computer Science and Engineering Department

Certifications

- Gate Qualified
- Network analysis trainee course certification

Area of Interest

- Signal Processing
- Image Processing
- Artificial Intelligence & Machine Learning

Area of Expertise

- Matlab
- Signal Processing

Achievements and Awards

- 100% result for students in Signal Processing-VTU 2024
- 90% result for students in BMDSP-VTU 2024

Hobbies

Reading, Photography & painting
