

THARA KRISHNAN R

Assistant Professor

Department of Computer Science and Engineering
krishnan.thara@gmail.com

Educational Background

- M.Tech in Computer Science and Engineering from Manonmanium Sundaranar University.(2011)
- B.E in Computer Science and Engineering from SUN college of Engineering (ANNA University) (2009)

Professional Experience

- 6 months of experience in industry as Skill Development Engineer at lamneo pvt.Ltd, Coimbatore. (Period : 18/08/2022 – 31/01/2023)
- 6 years of teaching experience as Assistant Professor in the Dept. of Computer Science at AJ College of Science and Technology, Thonnakkal, Trivandrum .(Period: 31/10/'16 to 03/08/'22)
- 3 years of teaching experience as Assistant Professor in the Dept. of Computer Science at Narayanaguru College of Engineering, Manjalumoodu, KK Dist.(Period : 03/06/'13 - 3/05/'16)
- 3 years of teaching experience as Assistant Professor in the Dept. of Computer Science at VINS College of Engineering, Nagercoil, KK Dist.(Period : 03/05/'10 - 03/05/'13)
- 10 months of teaching experience as Assistant Professor in the Dept. of Computer Science MARIA College of Engineering and Technology, Arumanai, KK Dist.(Period : 24/07/'09 - 03/05/'10)

Area of Interest

- Databases and Data Mining
- Programming Languages

Area of Expertise

- Data Structures and OOPS
- System Software
- Object Oriented Analysis And Design
- Software Engineering
- Design and Analysis of Algorithms
- Operating System

Achievements and Awards

- 100% result for students in System software-Kerala University 2017
- 98% result for students in OOPS-ANNA UNIVERSITY 2011
- 95% result for Students in OS– ANNA UNIVERSITY 2012
- Experience in guiding UG and PG projects and presented papers in relation with that.
- Attended an International Seminar - ADVANCED SCIENCE AND TECHNOLOGY (ASAT-2010) conducted by the Department of Computer Science held at VINS Christian College of Engineering.
- Attended a Workshop in CLOUD COMPUTING (Jan -2019) conducted by the Department of Computer Science held at AJ College of Science and Technology, Thonnakkal, Trivandrum

Journal Publications

- Optimum – Decision Tree Classifier Based Human Intestinal Parasites Classification, International Journal of Research in Engineering and Bioscience Volume 2 (Issue 3).
- Face Recognition using Hierarchical Ensemble of Global and Local Classifiers, International conference held at SUN college of Engineering, Nagercoil, 2011.

Hobbies

- Reading
- Dancing and listening to music
- Cooking
